HITTE HILLERY

A rough and thorny way it is We've journed these few fleeting years, Yet flowers have bloomed along our path, And faith has banished all our fears; And in life's trials we have been Each other's confidence and stay, And love has lightened every step, And cheered us on our destined way.

Rich mercles has our Father sent, To crown and bless our earthly lot, And many tokens of His love, That ne'er by us shall be forget; And not the least of these, dear Bess, Are all our precious Cherubs, four, The innocent and happy group That play around our cottage-door.

How oft-returning from the world, To find our home our blest retreat-Their merry voices greet my ear, And trainping sounds of little feet; The baby lifts his tiny hands. And clambers up his father's knee, And the glad shout that "papa's come," Fills the whole house with noise and gle

Your friendly hand is clasped in mine. Your kiss of welcome makes me blest, And in the radiance of your smile I find my happiness, my rest, Oh, joyous hours! when I can sit With you, my gentle wife, apart. And feel your deep, confiding love Twining its tendrills round my heart.

How oft, beneath the spreading elm That easts its shade around our door, We've sat, upon a summer's eve, And viewed the smiling landscape o'er; And from the setting sun have seen A golden light spread o'er the west, That imaged to the eye of faith The region of eternal rest!

When we have reached that heavenly land, Where all our best affections tend, Our dreams of life will then be past, Our toilsome journey at its end! There we shall rise to endless youth, There faith itself be lost in sight, And guardian angels lead us through The realms of glory and of light.

I ther! whose gracious providence And tender care are over all, Perserve us from temptation's power, Nor let us into danger fall, Help us to keep thy holy charge Which in Thy mercy Thou hast given, And lead us in the perfect way That brings us all to Thee in heaven.

DE. MORSE'S INVIGORATING

LIXIE OR OUDIAL.—At first the properseattributed to Pref. MOBBE'S INVIGORATING LIKIR OR CORDIAL were deemed fabulous. The -- licoften deceived, sould not believe the simple a de sublime truths announced by the discoverer .-But facts, undeniable facts attested by witnesses of the highest class and character, are now triumph headache; gradiness; nervou-ness; low spirits; diming over all doubts. INCREDULITY IS OVER- ness of vision, with motes or specks before the eyes; THROWN by a mass of testimony which is perfectly

irresistable.

The ELIXIB remedies, in all cases, the deplorable evils arising from a misuse or abuse of the various organs which make up the word ful machine called man. It restores to full vigor every delicate func-tion connected with that mysterious compound agency of matter and mind, necessary to the repreduction of human life. To persons of feeble muscular frame, or deficient in vital power, it is recommended as the only means of communicating that energy which is necessary to the proper enjoyment of all the natural appetites, as well as the higher mental attributes. Its beneficial effects are not con fined to either sex or to any age. The feeble girl, the ailing wife, the listless, ernevated youth, the overworn man of business, the victim of nervous depression, the individual suffering from general de bility, or from the weakness of a single organ, will all find immediate and permanent relief from the use of this incomparable renovator. To those who have a predisposition to paralysis it will prove a complete and unfailing safeguard against that terri ble maledy. There are many, perhaps, who have so trifled with their constitutions, that they think themselves beyond the reach of medicine. Let not even these despair. The Elixir deals with disease as It exists, without reference to causes, and will not only remove the disorder itself, but

REBUILD THE BROKEN CONSTITUTION. The derangements of the system, leading to ner yous diseases, and the forms of nervous disease itseif, are so numerous that it would require a column to enumerate the maladies for which this prepara-ration is a specific. A few, however, may be enume rated, vis: neuralgia, tic dolereaux, healache, incip-ient paralysis, hysteria, palpitation of the heart, spina' affections, muscular debility, tremers, flatulence, a pricking sensation in the flesh, numbness, terpidity of the liver, mental depression, weakness of the will, indisposition to move, faintness after exercise, broken sleep and terrifying dreams, inability to remain in one place or position, weakness of the procreative organs, sexual incompetency, melancholy, monomania, fluor albus, a pking at the stomach, iemale irregularities, a chronic tendency to miscarrisge, emaciation, and all complaints growing out of a free indulgence of the passions, and all barrenness that does not proceed from organic causes beyond

the reach of medicine. Whenever the organs to be acted upon are free from malformation or strictural diseases it is averred

MORSE'S INVIGORATING ELIXER will replace weakness with strength, incapacity with efficiency, irregularity with uniform and natural activity, and this not only without hazard of reaction, but with a happy effect on the general organization.

Bear in mind that all maladles, wherever they begin, finish with the nervous system, and that the paralisation of the nerves or motion and sensation is

physical death. Bear in mind also, that for every kind of nervous disease the Elixer Cordial is the only reliable preparation known. CAUTION. DR. MORSE'S INVIGORATING CORDIAL has been counterfeited by some unprincipled persons.

In future, all the genuine Cordial will have the proprietor's fac simile pasted over the cork of each bottle, and the following words blown in the glass Dr., Morse's Invigorating Cordial, C. H. HING, Proprietor, N.Y.

CELEBRATED REMEDY FOR CAN-CER, ULCERATED SORE THROAT, WHITE SWELLING, BRONCHI-TIS, DROPSY, AND ALL DISEASES ARISING FROM THE IMPURITY

Prepared by J. L. KIDWELL, Chemist, George The estimate that is now accorded this preparation by the medical profession and by others competent to judge of its merits, may be seen in the fact that it has been prescribed by many of our most eminent Physicians in this country, and has attracted the attention of a celebrated profession of the Edinburg College, Scotland, by whom it has been successfully used in a career of an aggravated character.

VINCENNES, INDIANA, Oct. 3, 1854. J. L. Kidwell-Dear Sir: Some three months ago through the agency of Col Smith Miller, our representation in Congress, I had purchased of you, for the use of my father in Scotland, one dozen Pottle of Beech Drop or Cancer Preparation. I have a let-ter from my brother, stating that the physician de-sires you to forward another dozen bottles. He thinks under its use the disease is arrested. I may add that my father has tried every physician of dis tinotion in Scotland and England, including Profes sors of Edinburg and Collieges, without relief. The disea e was of three years standing, began in the right cheek, which is partially consumed. He was sufferer with constant pain, wnich has entirely

CALLAWAY COUNTY, MISSOURI,

July 13th, 1854. Dear Sir-With great pleasure I inform that your preparation of Beech Drop has accomplished for me what I thought beyond the reach of human agency For the last twelve years I have been afflicted with Scrofula of a Cancerous form. So extensive was the ulcers and so horrible my appearance that my case became notorious with all the Faculty in this and the adjoining counties—in fact I had obtained the best medical aid in our State, without any abate-ment of the disease. Through a friend I procured a half dozen bottles of your Beech Drep, after using t, so perfect was the cure, that hundreds visited me. My desire is to benefit my fellow man; with that Enclosed you will find an order from some friends

for the preparation. Very truly,
